Holder of License No. 17470
For the Practice of Allopathic Medicine
In the State of Arizona.

Case No. MD-05-1052A

**CONSENT AGREEMENT FOR LETTER
OF REPRIMAND**

CONSENT AGREEMENT

By mutual agreement and understanding, between the Arizona Medical Board ("Board") and Lewis M. Sattloff M.D. ("Respondent"), the parties agreed to the following disposition of this matter.

1. Respondent has read and understands this Consent Agreement and the stipulated Findings of Fact, Conclusions of Law and Order ("Consent Agreement"). Respondent acknowledges that he has the right to consult with legal counsel regarding this matter.

2. By entering into this Consent Agreement, Respondent voluntarily relinquishes any rights to a hearing or judicial review in state or federal court on the matters alleged, or to challenge this Consent Agreement in its entirety as issued by the Board, and waives any other cause of action related thereto or arising from said Consent Agreement.

3. This Consent Agreement is not effective until approved by the Board and signed by its Executive Director.

4. The Board may adopt this Consent Agreement of any part thereof. This Consent Agreement, or any part thereof, may be considered in any future disciplinary action against Respondent.

5. This Consent Agreement does not constitute a dismissal or resolution of other matters currently pending before the Board, if any, and does not constitute any waiver.

1 express or implied, of the Board's statutory authority or jurisdiction regarding any other
2 pending or future investigation, action or proceeding. The acceptance of this Consent
3 Agreement does not preclude any other agency, subdivision or officer of this State from
4 instituting other civil or criminal proceedings with respect to the conduct that is the subject
5 of this Consent Agreement.

6 6. All admissions made by Respondent are solely for final disposition of this
7 matter and any subsequent related administrative proceedings or civil litigation involving
8 the Board and Respondent. Therefore, said admissions by Respondent are not intended
9 or made for any other use, such as in the context of another state or federal government
10 regulatory agency proceeding, civil or criminal court proceeding, in the State of Arizona or
11 any other state or federal court.

12 7. Upon signing this agreement, and returning this document (or a copy thereof) to
13 the Board's Executive Director, Respondent may not revoke the acceptance of the
14 Consent Agreement. Respondent may not make any modifications to the document. Any
15 modifications to this original document are ineffective and void unless mutually approved
16 by the parties.

17 8. If the Board does not adopt this Consent Agreement, Respondent will not
18 assert as a defense that the Board's consideration of this Consent Agreement constitutes
19 bias, prejudice, prejudgment or other similar defense.

20 9. This Consent Agreement, once approved and signed, is a public record that will
21 be publicly disseminated as a formal action of the Board and will be reported to the
22 National Practitioner Data Bank and to the Arizona Medical Board's website.

23 10. If any part of the Consent Agreement is later declared void or otherwise
24 unenforceable, the remainder of the Consent Agreement in its entirety shall remain in force
25 and effect.

1 11. Any violation of this Consent Agreement constitutes unprofessional conduct
2 and may result in disciplinary action. A.R.S. § § 32-1401(27)(r) ("violating a formal order,
3 probation, consent agreement or stipulation issued or entered into by the board or its
4 executive director under this chapter") and 32-1451.

5 12. Respondent has read and understands the condition(s) of probation.

NO. 342 005

FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of license number 17470 for the practice of allopathic medicine in the State of Arizona.

3. The Board initiated case number MD-05-1052A after receiving notice that Respondent had been terminated from the California Diversion Program for failure to comply with its terms.

4. Respondent had been issued an Order by the Board on April 27, 2001 providing for a five-year probation for participation in MAP. Because Respondent resided in California, the Order required him to participate in the California Diversion Program and to provide bi-annual compliance reports to Arizona.

5. On September 22, 2005, Board staff sent Respondent notice informing him that his September 15, 2005 compliance report from California was past due. Respondent informed the Board that he had been terminated from the California program in June, 2005 due to his failure to take the medication Naltrexone, pursuant to terms of his Agreement with the California Diversion Program.

6. Respondent had discontinued the Naltrexone on advice from his primary care physician, but without the prior consent of the California program, because of side effects he was experiencing.

7. Respondent was readmitted to the California program in October, 2005.

CONCLUSIONS OF LAW

1. The Arizona Medical Board possesses jurisdiction over the subject matter hereof and over Respondent.

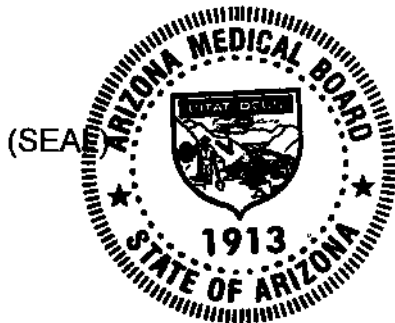

2. The conduct and circumstances described above constitute unprofessional conduct pursuant to A.R.S. §32-1401(27)(r) – (“[v]iolating a formal order, probation, consent agreement or stipulation issued or entered into by the board or its executive director under the provisions of this chapter.”)

ORDER

IT IS HEREBY ORDERED THAT:

1. Respondent is issued a Letter of Reprimand for violating a Board Order.
